MEET IN THE CAPITAL CITY JUNE 27 AND 28, WITH 860 DELEGATES

With Michael A. Daugherty of Fairfield as Temporary Chairman.

Columbus, Ohio, May 25 .- The Democratic State Convention will be held in this city on June 27 and 28, and the temporary gathering will be presided over by M. A. Daugherty, of Lancaster. The delegates will be selected upon the basis of the votes cast for Alton B. Parker for President lust November, the ratio being one delegate for each 400 votes so cast and an additional delegate for each fraction of 200 or over. This was the result of the deliberations of the Democratic State Central Committee at the Great Southern Hotel yesterday afternoon in a meeting will be held at the same place for the purpose of selecting six Delegates and was thoroughly a business meeting and the proceedings were marked by unusual harmony.

The attendance was unusually large and the interest displayed uncommon. As one of the speakers put it, there was more interest in the doings of the 21 men assembled in the little hotel room than there was in the acts of the 1,200 Republicans at the Auditorium, then in

convention assembled. It may be said that the results were the outcome of the conferences that began the night previous and continued during the day until the the old time law firm of Ball & committee met. There was every disposition evinced to arrive at a harmonious understanding, and it is believed this did not fail. In addition to the committee there any where from \$50,000 to \$60,000 a year out of their offices, and destate, and the executive committee above firm, is still living at 87. THE OHIO REPUB-LICAN CONVENTION

The Republican State convention in Ohio had its principal importance in the appearance and speech of its presiding officer, Secretary Taft, of Ohio, who stood for the President in speech and action as clearly and unmistakably as if President Roosevelt had personally dominated the floor of the convention, as the secretary did its nominations, platform and proceedings.

The convention had its second echo in the direction of the State nominations by a coalition made up of Governor Herrick, Sonator Dick and Chief Boss Cox, of Cincinnati, with their subordinate aids and abettors. As the result Governor Herrick was renominated, with A. L. Harris for Lieutenant Governor, and a full state ticket made up on the most approved ring plan from the head of the ticket down to the selection for the board of public works. They are all renominations except that of Harris. Judge S. H. Bright declined being a candidate, and on motion of John F. White, Harris was nominated by
